IT

SELLE MONTE GRAPPA è un'azienda italiana, fondata nel 1970 dai fratelli Baggio, produttrice di selle ed accessori per bicicletta.

Tutti i prodotti sono progettati e realizzati a mano in Italia, con tradizione artigianale e cura per ogni dettaglio, qualità, funzionalità, innovazione, ricerca, design, sviluppo, personalizzazione del prodotto e un servizio eccellente, hanno fatto sì che il prodotto Selle Monte Grappa sia diventato un marchio di tendenza mondiale e simbolo del MADE IN ITALY.

2005. La società ha realizzato, con l'uso delle tecnologie più innovative e personale qualificato, un impianto di verniciatura industriale specializzata nel trattamento della verniciatura a polvere di metalli speciali ed altre leghe.

2010. Dall'esperienza artigianale e professionale i F.lli Baggio decidono di introdurre nella gamma le selle ed accessori in vero cuoio naturale, tutte lavorate a mano, con pelle pregiata conciata al vegetale, flessibile che sia adatta alla forma del corpo del ciclista, la prima azienda in Italia a produrre le selle con questo tipo di materiale e sistema.

2017. L'evoluzione della Selle Monte Grappa introduce un marchio indipendente SELLE BMG, brand di alta gamma dal design innovativo, selle sviluppate su innovazione con alta tecnologia, materiali di ottima qualità, design di tendenza, per soddisfare le esigenze di ogni tipo di ciclista.

2020. Selle Monte Grappa festeggia i suoi 50 anni di attività, mezzo secolo di attività a conduzione familiare, un importante traguardo per l'azienda un risultato prestigioso, dovuto dalla professionalità, coraggio, determinazione e lavoro di squadra condiviso anche dai figli, che ha contribuito a trasformare un'azienda in una realtà consolidata a livello mondiale, degna di essere definita un'eccellenza del Made in Italy.

ENG

SELLE MONTE GRAPPA is an Italian company, founded in 1970 by the Baggio brothers, manufacturer of saddles and accessories for bicycles.

All products are designed and handmade in Italy, with craftsmanship tradition and attention to every detail, quality, functionality, innovation, research, design, product development, customization and excellent service have made Selle Monte Grappa product a world trend brand and symbol of MADE IN ITALY.

2005. The company created, with the use of the most innovative technologies and qualified personnel, an industrial painting plant specializing in the treatment of powder coating of special metals and other alloys.

2010. From the artisanal and professional experience the Baggio brothers decide to introduce in the range saddles and accessories in real natural leather, all handmade, with fine vegetable tanned leather, flexible that is adapted to the shape of the cyclist's body, the first company in Italy to produce saddles with this type of material and system.

2017. The evolution of the Selle Monte Grappa introduces an independent brand SELLE BMG, a high-end brand with an innovative design, saddles developed on innovation with high technology, high quality materials, trendy design, to meet the needs of every type of cyclist.

2020. Selle Monte Grappa celebrates its 50 years of activity, half a century of family-run business, an important milestone for the company a prestigious result, due to the professionalism, courage, determination and teamwork also shared by the children, who contributed to transform a company into a consolidated reality worldwide, worthy of being defined as an excellence of Made in Italy.

Il tempo, la moda e gli eventi passano... la icona Selle Monte Grappa rimane

Fonte come la roccia granitica del monte da cui prende il nome

Caro alla Patria, Selle Monte Grappa

SELLE MONTE GRAPPA

produce in conformità ai requisiti di sicurezza.

La Ditta Selle Monte Grappa si riserva il diritto di apportare modifiche, atte a migliorare il prodotto, in qualsiasi momento senza l'obbligo di darne preavviso. I colori e le misure sono indicativi. Il presente Catalogo annulla e sostituisce i precedenti. Si prega di rispettare scrupolosamente il Codice nella sua interezza.
